

Minutes
Community Advisory Committee
July 28, 2010

The meeting was held at the Lakeway Resort & Spa at 10 am.
Present were Brewer, Pierce, Rowland and Williams.

The minutes of the previous meeting were approved with a correction of the date of the next meeting and the substitution of the word “decision” for “consensus.”

The subject of articles about subjects taken from comments received from District customers earlier in the year was discussed. It was decided that before any articles were published, District Board approval of our plans should be requested.

Possible subjects for articles included the following:

1. Rates - Williams
2. Transparency – Rowland
3. Role of the District’s Attorney – Brewer
4. District committee structure - Pierce
5. Use of District vehicles after working hours – Miller
6. Sale of surplus District assets – unassigned
7. District/City of Lakeway relations – Rowland
8. District personnel profiles – unassigned

Several alternatives for media in which to publish articles had been discussed, including the District newsletter, bill stuffer, Lake Travis View, an email newsletter, Homeowners News, and the Lakeway Voice magazine. The consensus was that two media would be used: the District bill stuffer and the Lakeway Voice magazine. The name of the articles would be “Lakeway MUD Update”, plus the subject of the article.

Brewer suggested, and the group agreed, that rather than addressing citizen complaints about the District, the articles would be simply informative about specific matters relating to the District.

Pierce suggested that the District Board consider meeting times other than during working hours.

The meeting was adjourned at 11 am.
